

Dear Parents,

We will be making gingerbread houses with our reading buddies the week of December 19. We are in need of graham crackers, powdered sugar, and candy (skittles, licorice, peppermint candies, etc.) to make and decorate our houses. Due to allergies in our classrooms, we ask that do not send any candies with nuts in, or that are processed with nuts.

We are also in need of parent help to make the houses. We will be making them on Monday, December 19 from 9:30-10:30, and on Tuesday, December 20 from 9:30-10:30.

If you are able to help us out, either by coming in and helping, or by donating supplies, please let us know and send supplies in by Wednesday, December 14. Any help is greatly appreciated.

Thanks in advance,

Jen Duman
