Fun at the Leslie Science Center!

Fall is in Full Swing!

There is a crispness in the air, and we're enjoying these last weeks of Fall Weather before Winter strikes us!

With the weather being as unpredictable as it is, the temperature in our classroom also fluctuates. I would recommend dressing your child in layers, or at least sending (or leaving) a sweatshirt or hoodie in case it gets chilly.

Donations

You have all been incredibly generous this year, and I really appreciate it! There are a few things that we are currently in need of. Any help would be greatly appreciated

We could use:

- * Golf Pencils (the short little ones - they work great for fine motor skills)
- * Seasonal Stickers
- * Snacks (we are starting to run low)
- * Glue Sticks

Thank you in advance for your generosity!

[More About Our Class](#)

You can learn more about weekly classroom activities by going to our class website:

www.mrsdumansclass.com

If you need to get in contact with me, my e-mail is:

duman@aaps.k12.mi.us

Some of the Things We Did Last Week

- * Made cards and letters for the Coach Foundation thanking them for their generous donation
- * Practiced matching rhyming pictures
- * In handwriting we introduced the letter W. We also practiced the sound it makes
- * We started our safety workshops. They include fire safety, school safety, personal safety and reading signs.
- * Introduced the word wall word "see"
- * Took a trip to the Leslie Science and Nature Center. While there, students used their 5 senses. They tasted different liquids, looked for animals hiding in the trees, used our sense of touch to navigate the forest while blindfolded, smelled different smells in the forest, and listened like deer. Thank you to all who helped chaperone!

Dates To Remember:

Tuesday, November 8

No School For Students

Thursday, November 17 - Whole School Thanksgiving Feast - Details TBD

Friday, November 18 - 6:30-8
Pittsfield Movie Night

November 23, 24, 25 - No School - Thanksgiving Break

Homework Folder

Students have really responded well to their homework folders. Thanks for helping them on a nightly basis, and returning each day!

Movin' Max

We had a great time with our fun run on Friday. Check our website for more photos. Thanks to all who pledged or came out to root us on! The kids really love their pedometers, and they really help to promote healthy habits! Donations are still being taken until Friday, the 11th.
